

Cadishead Primary Homework Grid EYFS

During this difficult time we will be providing a weekly activity grid to help your child to continue their learning. As with the homework grid select 6 activities that you and your child would like to do. Colour in the ones that you have chosen. You can stick this into your homework books or just send some pictures on Dojos.

<p style="text-align: center;"><u>Reading</u></p> <p>Ronald the Rhino https://www.twinkl.co.uk/resource/t-t-2545622-ronald-the-rhino-ebook</p> <ul style="list-style-type: none"> • Picture talk (talk about the cover, what might it be about) • Read aloud (talk about the pictures and make predictions) <ul style="list-style-type: none"> • Join in with the rhymes • Retell the story (Can you tell the story to an adult) 	<p style="text-align: center;"><u>Personal and Social Development</u></p> <div style="text-align: center;"> </div> <p style="text-align: center;">Take turns with a grown up to talk about yourselves.</p>	<p style="text-align: center;"><u>Understanding of the World</u></p> <p style="text-align: center;">Find the baby</p> <p style="text-align: center;">Can you use technology for a purpose? Use your computer, phone, ipads etc to find out the names of these baby animals.</p> <p style="text-align: center;">dog cat elephant tiger bear rabbit rhino</p> <p style="text-align: center;">Can you find any other baby animals that have the same name as bear?</p>
<p style="text-align: center;"><u>Creative and Expressive arts</u></p> <p style="text-align: center;">Make your own animal sensory ball. Some of you might have seen these in Mrs Conway's class room.</p> <div style="text-align: center;"> </div> <p>All you need is a balloon and something to fill it with. Different fillings eg, sand, flour, rice etc all create different textures and are fun to squash and squeeze.</p> <p style="background-color: yellow; padding: 2px;">See sheet of instructions on your class story.</p>	<p style="text-align: center; font-size: 2em;">Have Fun!</p> <p style="text-align: center;">Don't forget to share anything you do with your teacher on class Dojos. We hope you have lots of fun.</p>	<p style="text-align: center;"><u>Phonics</u></p> <p>Login to <u>Spelling Shed</u> if you haven't done so already- personal codes have been sent to individuals via a dojo message.</p> <p style="text-align: center;">Here you will find an assignment available for your child to practise spelling words from their current phonics phase.</p> <p><u>Phonics Play</u></p> <p>If you would rather practise reading words and sentences go onto https://new.phonicsplay.co.uk</p> <p>user name : march20</p> <p>password: home</p> <p>scroll down to free resources and then click on the correct phonics</p>

		<p>phase on the top bar</p>
<p style="text-align: center;"><u>Literacy/topic</u></p> <p>Use your own copy of Monkey Puzzle or use the link below https://www.youtube.com/watch?v=DgeKHjLSQUM</p> <p>Why was the butterfly so confused?</p> <p>Can you match the animals with their babies? See class story for resource</p>		<p style="text-align: center;"><u>Mathematics</u></p> <p>Shape space and measure- Measuring with a stick</p>  <p>Find a stick. Use it to find things that are longer, shorter and the same.</p> <p style="text-align: center;">Number -Say it, Make it, Write it</p> <p>Practice addition and subtraction using the frame and cards on class story You could even make up your own.</p>
<p style="text-align: center;"><u>Communication and Language</u></p> <p>Listen to the radio podcast. Listen carefully because there are questions at the end. https://www.bbc.co.uk/cbeebies/radio/sounds-like-fun-zoo</p>	<p style="text-align: center;"><u>Physical Development</u></p> <p style="text-align: center;">Shadow drawing</p>  <p>Choose a nice sunny day. Get a piece of paper and stand one of your toy animals next to it (any figure/ object will work if you don't have animals) Try out some drawing by following the lines of the shadow.</p>	<p style="text-align: center;"><u>Healthy Living</u></p> <p>Use digimap to help plan a walk/run/jog/ bike ride/ scooter ride with someone from your house. First find where you live on the map. Where do you want to go? Can you ask mum or dad to help you find it on the map. Have a look at which way you could go. (Don't worry about following the map unless you want to. This is just a good activity to get your child looking at maps and being healthy.)</p> <p style="text-align: right;">Have fun getting there.</p> <p>See link and map on class story</p>
