

# Cadishead Primary School Home Learning Grid

Date: Friday 15<sup>th</sup> May 2020

Year 2

All children should complete the following 3 activities weekly.

### Reading

Please continue to read regularly at home - read to a grown-up and share as many books as possible together. Choose and read a fiction Ebook on [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)

Create a story map to show what happened in the book. Make sure the events are in-order. Can you include any time connectives on your story map?

### Times Tables

Practise your times tables daily.  
10x 2x 5x 3x  
Remember to keep on building up your score on Times Tables Rock Stars!

Play a times tables pairs memory game using this website, or make your own game cards.  
<https://www.timestables.co.uk/times-tables-memory.html>

### Spellings

Look, cover, write, check.  
Daily spellings practise from the Year 2 common exception words list (in your home-learning pack).

Log-on to Spelling Shed and try out some of the activities.  
[www.spellingshed.com](http://www.spellingshed.com)

Try out as many of the activities below as you can. You can decide how you wish to present your completed tasks.

We'd love to see how you're getting on - send us a message or a picture on Dojos anytime.

### Research it!

#### Who was Florence Nightingale?

Tuesday 12<sup>th</sup> May marked 200 years since the birth of Florence Nightingale. It was also International Nurses day.

Who was Florence Nightingale?  
What did she do?  
What is her legacy?

Create an information leaflet or poster all about Florence Nightingale.

Can you write a diary entry for a day in the life of Florence Nightingale? How do you think this would be the same as/different to a day in the life of a nurse today?

### Maths challenge

#### Position, direction and movement

Hide some 'treasure' somewhere in your home or garden. Give your family directions to find the treasure.

You could give your directions verbally or in writing - Use **mathematical vocabulary to describe position, direction and movement.**

Use instructions such as...

- move in a straight line
- rotate one full turn
- Rotate a quarter/ half / three-quarter turn - Clockwise or anti-clockwise.

Can you draw a map of the route your family took to find the treasure?

### Healthy Living

#### Hygiene Investigation

In your 'Research it!' task you should find some information out about Florence Nightingale and her attention to health and hygiene.

Can you conduct an investigation to show the importance of good hygiene?

Tell your family all about the 'mouldy bread investigation' or 'germy potato investigation' we did in school and try out an investigation of your own...

<https://www.bbc.co.uk/cbeebies/watch/germs-experiment>

### Create it!

#### Appreciation Artwork

Famous artist, **Banksy** created this piece and left it at a hospital with a note which read...

"Thanks for all you're doing. I hope this brightens the place up a bit, even if it's only black and white."

Can you create a work of art to show your appreciation for the people working hard for you and your family at the moment?

### Family Time

#### Film night

Take some time out to enjoy each other's company with a family film night.

Choose a film, grab some tasty snacks or maybe make/cook/order a pizza and enjoy some chill-out time together.

It's been a long few weeks and you all deserve it!
